Packages A and B are better than ever!

Automatically take advantage of *Le Lièvre Super*

For a quick round-trip, package A and B subscribers can automatically take advantage of the *Le Lièvre* rate if this option costs less. They also have the added bonus of a \$1 credit on the hourly rate of the *Le Lièvre* package (known as *Le Lièvre Super*). With this new pricing flexibility, members of packages A and B are able to save a few dollars when they have to make a quick, but longer, round-trip.

For instance, a package B member who makes a 60km trip in one hour on a Friday will henceforth pay \$14.20 (16¢/km X 60 km + \$4.60/h) instead of \$20.70 (32¢/km X 50 km + 23¢/km X 10 km + \$2.40/h).

Privileged access to Auto-mobile vehicles for subscribers to packages A, B, C and Le Lièvre

Use an Auto-mobile at your package's rate

What was until now a promotion has now become part of our permanent offer !

Parity with your package's rate for trips of 5 hours or less

Communauto subscriber to package A, B, C or *le Lièvre*, reduce your spending when using an *Auto-mobile* vehicle! For all trips of 5 hours or less, you can use these vehicles at the basic rate of your package. A two hours minimum is however billed.

It's easy! The lowest fare will automatically be offered according to the number of kilometres travelled.

To access the *Auto-mobile* service, you need to register your OPUS card in the Personal Information section of RESERVauto. An invitation explaining how the service works will be sent you by email within one business day.

30¢/minute instead of 38¢

Since July 1, it costs you less by the minute, if your trips are billed at the *Auto-mobile* rate. Savings of over 20% !
