1 Long Distance rate

For trips that require traveling a lot of kilometers in a short time or that extend beyond a few days, Communauto offers through all Value plans highly advantageous daily and weekly Long Distance rates. This pricing formula also allows you to take advantage of cheaper prices per kilometer than the regular rate provided in your Value plan.

Long distance rates are applied automatically upon completion of the trip. Depending on the total kilometres the best rate offered per plan will be applied.

From September to June (low season):

| | First day | Additional days | Per week |
|--------------|----------------------------|-----------------|----------|
| Time rate* | \$34.95 | \$29.95 | \$149.75 |
| First 300 km | 17¢/km | | |
| After 300 km | 13¢/km | | |

In July and August (high season):

| | First day | Additional days | Per week |

* A charge of \$10/h applies for each additional hour, the maximum being the cost of an extra day.

PROMOTION  **\$24,95/day** (add \$5 for 1st day)*
On selected vehicles

* In July and August (high season), the promotion applies low season rates.

To locate these vehicles, simply select this option when picking the dates of your reservation.
Per km fees not included.

Terms

- Long distance rates are reserved to any one of the Value plans.

2 Quick round-trip preferred rate

Value Plus and Value Extra members automatically enjoy the Open Plus plan rates when calculating the trip price if it works out to be cheaper for them.

For example, if you have to do a quick one hour round trip to drop someone off and drive 60km, this trip would end up costing only \$16.95 instead of \$22.95 (regular Value Plus rate) or \$17.45 (regular Value Extra rate).

3 Workday rate

Use a vehicle for the flat rate of \$19.20 per day, with 40km included! This great bargain is exclusive to Value Extra plan members.

Terms

- \$19.20 per day flat fee.
- 40km included.
- 25¢ per additional km.
- Available Monday to Friday only.
- Max. of 10 consecutive hours. If your trip exceeds this period, it will be fully charged at your regular plan rates. An unbilled period from midnight to 6am is included (one more hour than when regular Value Extra rates apply). This means that, for example, you can pick up the car at 5pm and return it the next day at 9am (16 hours later) without incurring any extra costs.

Damage Protection Plans Options (DPP)

| Damage Fee (per event)* | Cost |
|-------------------------|----------------------|
| \$600 | \$1 per trip |
| \$300 | \$6/month per driver |
| \$0 | \$8/month per driver |

* Liable or not.

All monthly Damage Protection Plan options, except for the default (\$600 Damage Fee for \$1 per trip), are a minimum 12 month commitment. You can reduce these costs by taking advantage of the protection offered by the credit card you use to pay your invoices if it includes collision loss damage insurance (cost per driver falls then to \$2 per month, and there is no monthly commitment). Requires a signed [Damage Protection Plan Waiver](#) (see online for more info).
